Color Line er Norges største, og et af Europas ledende cruise- og transportrederier. De udbyder person- og godstransport, afholdelse af konferencer, hoteldrift, restauranter, butikker, underholdning og turproduktion herunder pakke- og grupperejser til både sommer- og vinterdestinationer. Color Line har en operationel flåde på seks skibe, der besejler fire internationale færgelinjer mellem syv havne i Norge, Tyskland, Danmark og Sverige.

Color Line's skibe er indsat til at sejle på følgende ruter med daglig drift:

- **Hirsthals - Larvik**
- **Hirtshals - Kristiansand**
- **Sandefjord – Strömstad (Sverige)**
- **Oslo - Kiel**

Visionen for Color Line er at blive Europas bedste inden for cruise og transport, og man har derfor i perioden 2004 – 2008 investeret massivt i nye skibe og nye koncepter. Herunder SuperSpeed 1 & 2, som reducerer sejltiden mellem Danmark og Norge til mindre end fire timer.
